

LICENSE AGREEMENT FOR CARROLL COUNTY DIGITAL GEOGRAPHIC DATA SETS

License Terms: Carroll County produced or co-produced digital geographic data sets are copyrighted original works. They are licensed for use, not sold. Carroll County and its co-producers reserve all rights of authorship granted under U.S. and International copyright laws and agreements. By signing below, licensee agrees to abide by all terms and conditions of this agreement. This document constitutes the entire agreement between the parties, and it supersedes any prior agreement, oral or written. Any order for licensed data sets must be accompanied by an original, signed license agreement, or it will be returned unfulfilled to the requestor.

Protection of Proprietary Rights: Reproduction or redistribution of licensed data sets or products derived there from outside of Licensee's organization or entity is expressly forbidden. None of the data shall be electronically duplicated by any means for use by others, in whole or part, without express written permission of the Carroll County GIS Department. Resale of the data is prohibited.

Liability: The data files are provided "as is." There is no guarantee or warranty concerning the accuracy of information contained in the data. The burden for determining 'fitness for use' rests entirely upon the requestor/Licensee. Carroll County and its co-producers will not be liable in any way for accuracy of the data, and assume no responsibility whatsoever for direct, indirect, special, consequential, exemplary or other damages. Licensee agrees to indemnify, hold harmless and defend Carroll County, its employees, agents, representatives, and co-producers from any and all claims, damages, liabilities and expenses arising from Licensee's use of licensed data sets or products derived there from.

Scheduling: Orders for licensed data sets do not command priority over others projects or work demands of the Carroll County GIS Department. Requesters are advised that significant delays may sometimes occur due to staff shortages or schedule constraints and orders will be filled within normal operations of the GIS Department. Requesters are encouraged to order early.

Costs: Use of licensed data sets is licensed by Carroll County according to the attached price schedule. Fees paid are not refundable. Purchase orders are acceptable from government agencies. Pre-payment is required for all other entities. Checks should be made payable to "Carroll County GIS Department."

Data Distribution: All digital data is provided for distribution by CD-ROM unless other media is agreed upon. Data distribution is managed by the Carroll County GIS Department. Digital vector data is stored in Microsoft 2000 Access Databases used in GeoMedia Professional. Data can be exported to ArcView shapefile (.SHP) format, Microstation Design file (.DGN) format, MapInfo Interchange Format (.MIF), Oracle Object Model, or MS SQL Server format. It is the responsibility of the requestor to complete any other format conversions that may be needed.

Updates: Said licensed data sets are licensed and distributed “as is” on a one-time basis. Carroll County is under no obligation to inform Licensee of data updates, alterations, or accuracy errors discovered thereafter. The burden of ordering and paying for updated copies of data sets rests entirely upon Licensee. Revisions may be made at Carroll County’s discretion on a time and funding available basis.
