Minutes from the December 17, 2020 meeting were presented. After review Law motioned to approve the minutes as presented. Bergman second, passed unanimously.

Reese stated that in the 17 years of the health departments existence, the need of a health department in Carroll County have proven itself many time.

December and January financial reports were presented (enclosed). After review, Bergman motioned to approve the reports as presented. Schmidecamp second, passed unanimously.

Law stated that the Finance Committee met prior to this meeting and reviewed / approved the bills.

Beintema presented the activity report (enclosed). He stated that everything seems to be on track. Confirmed Covid-19 cases seem to be slowing down and Covid - 19 vaccine are in short supply but vaccines that are received are being given to individuals that meet the Phase1a and Phase1b priority groups. The health department currently has a rather large waiting list and as vaccines become available people from the waiting listed are called and an appointment is scheduled. To date 1318 vaccine had been administered through the health department. When putting clinics together, we have had help from FHN, volunteers, Highland Community College nursing program and our local ambulance association.

Meeting adjourned at 6:27 P.M.
