

CARROLL COUNTY, IL ONLINE APPLICATION SITE PLAN

INSTRUCTIONS AND EXAMPLE

Site Plan. On a blank page of paper or using a computer drawing program, please draw the site plan showing as much of the following as possible: 1.) Property lines 2.) Closest Roadway(s) 3.) Driveway Access Location from roadway 4.) Existing structures 5.) The proposed location of the new structure 6.) Well and Septic location.

Please provide the distance in linear ft. from the proposed structure(s) to the center of the closest road; as well as from property lines and other structures. **A site plan example is shown below.** The more information you can provide the better.

Upload File. When your site plan is completed, scan/copy or take a clear picture that can be uploaded to the appropriate location on the online application portal. If you need assistance with this process, please contact the zoning and building office: Phone#: 815-244-0254 Email: Mapping@carroll-county.net
