State of Illinois
Before the County Board of Carroll County
Ordinance No. 0623-05

WHEREAS, the Carroll County Board previously authorized for the creation of the Carroll County GIS Department for the purpose of providing and maintaining countywide maps and spatial data using Geographic Information System (GIS) software and trained personnel; and

WHEREAS, pursuant to 55 ILCS 5/3-5018, the Carroll County Board has previously authorized the assessment of a \$19 GIS Resolution Fee for each land recording document meant to defray the cost of implementing and maintaining the Carroll County GIS and in order to defray the cost of providing access to the Carroll County GIS records; and

WHEREAS, 55 ILCS 5/3-5018 provides that a County Board may, by ordinance, increase the fees allowed by this section and collect such increased fees if the increase is justified by an acceptable cost study showing that the fees are not sufficient to cover the cost of providing the service; and

WHEREAS, at the request of the Carroll County Board, an external cost study was produced in 2004 and found the justified fee cost equal to \$12.78 per recording, after which the board approved an increase to \$12.00 per recording on January 20, 2005; and an internal cost study was performed in 2017 and found the justified fee cost equal to \$24.24 per recording, after which the board approved an increase to \$20, with \$19 going to GIS Fund 52 and \$1 going to the recorders special fund, effective January 1st 2018; and

WHEREAS, a 2023 GIS Cost Study has been put forward indicating an appropriate increase in said GIS Resolution Fee of \$8.50 for a total of \$27.50 to help cover the cost of providing services by the Carroll County GIS Department.

NOW, THEREFORE, pursuant to 55 ILCS 5/3-5018, the GIS Resolution Fee to be assessed and collected by the Carroll County Recorder is hereby increased from \$20 to \$25 per land record filing with \$24 to be deposited into the Carroll County GIS Fund 52 and \$1 to be deposited into the Carroll County Recorder's special funds created under Section 3-5005.4.

BE IT FURTHER RESOLVED, that this ordinance shall become effective July 1st 2023. Passed by the County Board of Carroll County, IL on June 1st, 2023.
